Exhorbitant Demands.

Sir William Conyngham Greene, the
British ambassador in Tokio, accompanied by the Russian ambassador,
called upon Baron Kato, at the foreign
office, on Saturday, according to the
official announcement, and formally
notified Baron Kato that the governments of Great Britain and Russia
deprecated any attempt on the part of
Japan to press any demands upon
China in excess of those communicated to the Powers in the original note,
which China claims does not include
all the demands nor the ones which
most particularly affect her status as
a sovereign Power.

**HOW THIN PEOPLE** CAN PUT ON FLESH

A New Discovery.

Thin men and women-that big. You haven't gained in weight one ounce. That food passed from your body like unburned coal through an open grate. The material was there, but your food does not work and stick, and the plain truth is you hardly get enough nourishment from your meals to pay for the coat of cooking. This nt it co que of thin folks the world over. or nutritive organs, your functions assimilation, are sadly out of gear

Cut out the foolish foods and unny sawdust diets. Omit the liesh cream rub-ons. Cut out everything but the meals you are eating now and eat with every one of those a ningle Sargol tablet. In two weeks a ulngle Sargol tablet. In two weeks note the difference. Five to eight good solid pounds of healthy "stay there" fat should be the net result. Sargol charges your weak, stagnant blood with millions of fresh, new red blood corpuscles—gives the blood the carrying power to deliver every ownce of fat-making material in your food to every part of your body. Sargol, too, mixes with your food and prepares it for the blood in easily assimilated form. This people sain all the way form. Thin people gain all the way from 10 to 25 pounds a month while taking Sargol, and the new flesh stays put. Sargol tablets are a scientific combination of six of the best fleshproducing elements known to chem-latry. They come 40 tablets to a pack-age, are pleasant, harmless and inex-pensive. NOW MADE PUBLIC.

WASHINGTON, D. C., March 18.— The text of six diplomatic notes, representing the latest exchange of diplomatic correspondence between the state department and the foreign offices of Great Britain, France and Germany, was made public last night.

These notes set forth the American for a reduct

that the United States is exerting its influence with Japan to secure an amelioration in the demands Japan has made upon China, in order that the settlement of the Chino-Japanese question may not be in infringement of the rights of the United States in China guaranteed by existing treaties.

the harbor commission, told the mem-ters of the chamber that the wooden plers of the chamber that the wooden plers are rapidly going to pieces and will have to be replaced with reinforced concrete wharves in the near future. The speaker said that repairs to the wharves in the past five years cost an amount equal to one-half the original cost of constructing the piers. The colonel said that the territory is paying \$660,000 interest and incidental expenses for the upkeep and operation of the piers.

J. L. McLean of the Inter-Island Steam Navigation Company said that wharf tolls would be unfair to his company and to the consumers and merchants of the Islands. He pointed merchants of the islands. He pointed out that goods arriving in Honolulu consigned to wholesale houses would be forced to pay 10 cents a ton when the cargo is landed, 10 cents a ton when it passed over the Honolulu wharves consigned to other island merchants and 10 cents a ton at the point of destination, making a total wharfage tax of 30 cents a ton. He said that it would encourage mail order business with the mainland firms.

"The tendency is to drive business over private piers," the speaker declared. He pointed ou that at present owners of private wharves are voluntarily paying a ten-cent tax on

der business with the mainland firms.

"The tendency is to drive business over private piers," the speaker declared. He pointed ou that at present owners of private wharves are voluntarily paying a ten-cent tax on every ton. This money goes to support charitable organizations in the city, although a part of it is retained as an emergency fund, to be used in the event of a quarantined port, and other such contingencies. He said that the wharf owners would discontinue paying this voluntary fee if the bill is made law.
